

# Twining visit to Palestine April 2011

A visit for people wanting to find out about the human rights situation in Palestine, with a special focus on what twinning can do.

**\*\* Including the Palestinian twinning network conference on 23rd April \*\***

This will be a full programme of visits and meetings with organisations and people of many sorts, a chance to sample the rich culture of Palestine and see what has happened to the people under Israeli occupation. If you come from a twinning group, you will visit your twinning partner. There will be time to reflect and discuss future activities. The programme will include the twinning conference organised by the Palestinian side of the Britain-Palestine Twinning Network together with the Human Rights Clinic at the Al Quds University [interpretation to English will be available].
